This Partnership Program is designed to help Private Christian Schools and Churches in two areas:

1. **School or Church Awareness:**

Let families with young children (up to 8 years old) know who and where you are, and what ministries you have available to them.

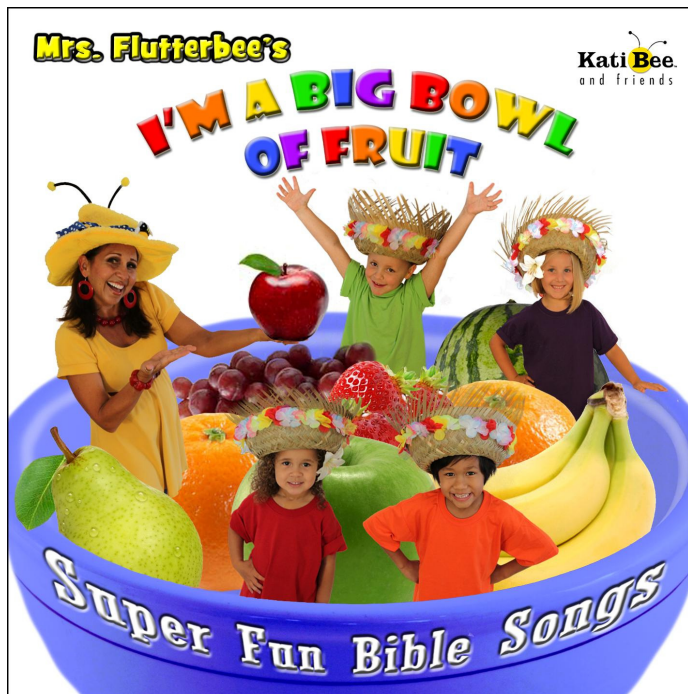

2. **Community Outreach**

Give families with young children (up to 8 years old) songs that teach: The Bible, The Love of God, and even a Call To Salvation.

The program is centered around Mrs. Flutterbee's new Music CD called "*I'm a Big Bowl of Fruit*". The title song is about the fruits of the Holy Spirit (Galatians 5:22-23). Take a look at the back cover below for a list of the song titles AND the Bible lessons that go with EACH song!

The program is very simple – use Mrs. Flutterbee’s Bible based Music CD, aimed at little learners from Toddler to 8-years, to impact your community. And as background, Kati Bee, AKA “Mrs. Flutterbee”, has been a Christian for over 25 years, is a state certified teacher, has her B.A. in Psychology, is currently working towards her Masters degree in Early Education, and is an accomplished music composer, singer and producer, who earnestly wants to positively impact the lives of children.

The Partnership Program has three levels. **On level A and B**, your School or Church receives 250 or 500 Mrs. Flutterbee Music CDs, along with **labels that say “This CD brought to you by “your school or church name” and logo”** at a very steep discount – making this an affordable way to reach out to your community. This jazzy and educational Music CD is one that will stay in homes for years – teaching as it entertains.

On level C it gets even more interesting. Your School or Church receives 1,000 Mrs. Flutterbee Music CDs, but **the actual artwork of the front cover will have “This CD brought to you by “your school or church name” and logo” – AND, the ENTIRE inside flap (opposite the CD) will have text and graphics that you supply to us (to tell everyone that ever opens the CD case) who and where you are, and what ministries you offer!**

We think you’ll find these songs super hip, and jazzy enough, to make kids get up, sing and dance, while learning the Bible! The best way to know the awesome sound and variety in this CD is to go to the link below and click on the jukebox. The jukebox will play a clip from each song. And while the jukebox is playing, click below the picture of the CD where it says “View Back Cover of CD” and look at the Bible Lessons for each song.

Also, the lyrics are ON the Music CD, so your teachers can use them during chapel – OR – teachers and parents alike can pull up the Word or PDF files, then print them as large as they like, so their kids can read and follow along as they dance, sing, play and learn the Bible.
